1. Per reference (a), the authorized payable rate for Level I of the Executive Schedule has been increased from \$174,500 to \$175,700 per annum. Pursuant to Section 5307 or Title 5, United States Code:

Except as otherwise permitted by or under law, no allowance, differential, bonus, award, or other similar cash payment under this title may be paid to an employee in a calendar year if, or to the extent that, when added to the total basic pay paid or payable to such employee for service performed in such calendar year as an employee in the executive branch (or as an employee outside the executive branch to whom chapter 51 applies), such payment would cause the total to exceed the annual rate of basic pay payable for Level I of the Executive Schedule, as of the end of such calendar year.

2. The effective date of these increases is the first day of the first pay period beginning on or after 1 January 2004. All rates and other provisions contained in subject schedules remain in effect.
