Email to send all disciplinary actions, grievances, related inquiries, Premium Pay Disputes: MSFSC_LER@navy.mil

To ensure that any correspondence you may send us is not missed or left unanswered.

We have established a central mailbox to which the fleet can send all of Labor & Employee Relations correspondence. This mailbox, MSFSC_LER@navy.mil, will serve as a central location, a "one stop shop" if you will, where you can send all disciplinary actions, grievances, related inquiries, Premium Pay Disputes, etc.

By having a central mailbox, you will no longer have to remember which specialist you need to send your email. Just send the email to the central mailbox, and we will take care of the rest. The mailbox will be accessible by every specialist in the LER Branch, therefore you will not have to worry about issues like: whether your email is going to the inbox of a former employee, to an employee who may be on out of the office for an extended period of time or that it may be returned because the recipient's mailbox size is over the limit.

Upon receipt of your email, it will be assigned to a specialist. That specialist will then email you an acknowledgement to let you know they will be handling your action. This email reply will not only serve as a confirmation of receipt, but also as an assurance to let you know you that your request is being taken care of and by whom.

The address for the LER central mailbox is MSFSC_LER@navy.mil.
