COMSC INSTRUCTION 3110.3A

Subj: MSC FORCE INVENTORY REPORT

Encl: (1) Sample Military Sealift Command Force Inventory Report

1. Purpose. This instruction prescribes reports of MSC Force Inventory composition and status.
2. Cancellation. COMSCINST 3110.3.
3. Background. The Military Sealift Command Force Inventory Report, enclosure (1), is prepared by the Operations Office monthly and lists all Strategic Sealift (active) ships, USNS and chartered, and their status. The report also lists Strategic Sealift Reserve (inactive) and ships under construction. The final page is a summary of ownership and manning. The report is distributed to MSC subordinate commands and military and non-DOD government agencies to indicate MSC's Force including owners, operators and current employment.
4. Report. The Military Sealift Command Force Inventory is assigned Report Control Symbol MSC 3110-4 and is effective for three years from date of this instruction.

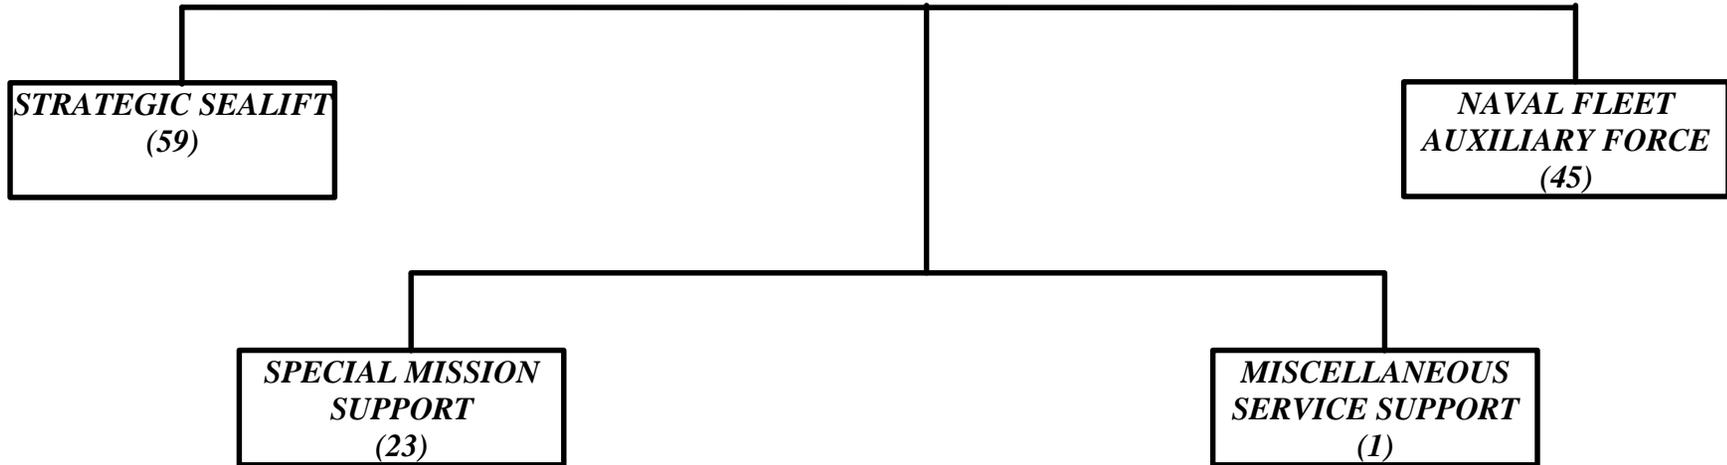

Distribution:
